

"Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth." Psalm 46:10 (NIV)

Come To Me

It's time to slow down. Take a time out. Come to me. Rest in my presence. Be quiet and still before me. You have had places to go. You have had things to do. You have let the busyness and noise of the world crowd me out of your life. You are dry and weary. You are hungry and thirsty. Return to me. Draw near to me and I will draw near to you. I will refresh you. I will revive you. I will restore your soul. Take a deep breath. Relax and rest in my presence. I will feed your hunger. I will satisfy your thirst.

I have heard your call. Forgive me for my distance. Forgive me for my independence. I have wandered away from you. I pursued the world and all that it has to offer. I have been overtaken by the noise and busyness of life. I have let myself become dry and weary. My life has become barren. I have accomplished a lot of nothing as I have pursued my own purposes and plans. I want you and the life you have for me. There is no place I would rather be than in your presence. There is nothing I would rather do than meet with you. **That sounds very good.**

I see your desire. I know your intentions. I hear your words. Do you have a plan? When will you set a time to meet with me? Where will you set apart as a place to meet with me? I know why you are asking me these questions. My desire and intentions and words are not enough. I have had good desires, great intentions and words of commitment to meet with you. I have not followed through. I have been distracted. I have been diverted. Something else has always grabbed my time and intention. Forgive me for that. I regret that I have done what was urgent and failed to do what was important. No more. Not now. Not ever again. I will set a time and a place to meet with you. **That will be very good.**

Why do you want to meet with me? Why will you set a time and a place to meet with me? Be very clear in your heart and mind about these questions and your answers. Don't lightly consider them. Don't easily pass over them. Your answers will determine the course of your life. You are my Savior and Lord. I want to know you. I want to love you. I want to serve you. I want to live my life entirely for you. In every way I want to do what pleases you. I want my life to be act of worship. I will bow myself down before you. I will come to listen to you. I will do whatever you ask of me. I want you to be lifted up and exalted by all that I think, say and do. I want to be your witness in the world. That is why I will come to you. **That is very good.**

Lord, my life has been filled with the noise and busyness of the world. I need to slow down and come to a full stop. Help me to rest in your presence. Help me to be still before you. Open up your word and speak to me so I can come to know you. Amen
